* Is your organization a non-profit or a registered public charity? We give back to the profession and the communities we serve by providing a set amount of pro bono (no charge) work—such as speaking engagements or workshops—for charities or non-profits each year. Prices are in United States Dollar (USD) and do not include expenses or sales tax, if applicable. Rates for speaking engagements and workshops apply to talks, workshops or other appearances running up to two hours; for more than two hours, request a quote. The event may be required to defray executive protection (personal security) costs. Information subject to change without notice.
